Owner's Name (First, Last – Please print)

I, the above-named property owner have made myself informed about the City of Burlington's Building Permit Subsidy Program, including the terms and conditions, and hereby provide the City of Burlington with the following release. I will perform restoration work and/or flooding prevention work.

### Acknowledgement and Release

I am the owner of the Property and I acknowledge and agree that the City's decision to subsidize the permit cost for the proposed work is in no way an admission on the part of the City, its councillors, officers, employees or agents of liability or responsibility for past or future backups of the storm or waste water system or damage caused by overland flooding; and

I agree not to use the City's subsidizing of the building permit fee for the completed work at the Property as evidence in any legal proceeding that has been initiated or will be initiated against the City, its councillors, officers, employees or agents; and

I agree that the existing private wastewater and storm water systems located on the Property are the owner's responsibility and that the owner is responsible for future maintenance and upkeep of any of the completed work at the Property; and

I hereby agree that the performance of the completed work at the Property in no way deems anything located on the Property now or in the future as being part of the City's wastewater system; and

I hereby agree that in the event of a sale or lease of the Property, I will inform the purchaser or lessee of the existence of the completed work installed (if applicable) and the pertinent maintenance requirements.
