

## Petition

The Office of the City Clerk accepts petitions related to matters listed on an upcoming standing committee agenda.

If you wish to submit a petition regarding a matter **not** listed on an agenda, a member of Council must sponsor the item. Contact your ward councillor directly to make this request.

Petitions will be attached to the minutes of the meeting, which get posted to the City's website, and kept on file as part of the official public record. As part of the public record, petitions may also be distributed to other members of the public on request.

The City of Burlington is a lower-tier municipality; please be mindful of its jurisdiction and scope when creating petitions.
