Re: Bill 3, Strong Mayors, Building Homes Act, 2022

On July 1, 2023, [Bill 3](#), the Strong Mayors, Building Homes Act, 2022, by way of [O. Reg. 180/23](#) was extended to the City of Burlington. The Mayor's new powers include:

- Appoint and dismiss the City Manager as well as the head of any division or the head of any other part of the organizational structure (except statutory municipal officers i.e. City Clerk or Deputy, Treasurer or Deputy, Chief Building Officer and Fire Chief); **
- Determining the organization structure of the City; **
- Create committees of Council, assign their functions, and appoint the Chairs and Vice Chairs of committees of Council; **
- Propose the City's budget subject to Council amendments, a Mayoral veto, and a Council override process;
- Submit matters for Council's consideration, or veto by-laws, if the Mayor believes it will advance a prescribed Provincial Priority; and
- Direct City staff in writing.

**** The Mayor may choose to delegate these specific powers and duties.**

Mayoral Decisions Webpage

Legislation dictates that the decisions made by the Mayor are captured in writing, and are publicly available. As part of the implementation staff have created a Mayoral Decisions webpage to support transparency in this process, and make the information accessible to the public. Staff will be updating this webpage as they receive Mayoral decisions.

Link to Mayoral Decision Webpage: www.burlington.ca/mayoraldecisions

New By-law Approval Process

The Mayor has new by-law veto authorities, municipalities have actioned section 284.11 (4)(a)(ii) of the Municipal Act to allow for the Mayor to provide written approval of enacted by-laws. This practice will allow staff to waive the two-day cooling off period, and action by-laws immediately. The written approval constitutes a decision of the Mayor and will be posted to the City's Mayoral Decision webpage. Our next Council meeting is July 11, 2023.

Next Steps

A cross functional team are working on a report for the CSSRA September 11, 2023, meeting. The report will provide a fulsome review of the legislation, how it will affect the City of Burlington, and further information on implementation.

Please be advised that at its meeting held on the 27th day of June 2023, the Council of the Township of Selwyn passed the following resolution:

Resolution No. 2023 – 143 – Notice of Motion – Short-Term Rentals

Councillor Brian Henry – Councillor John Boyko –

Whereas the demand for alternative accommodations has resulted in an increased prominence of residential properties being advertised for short term accommodations through third party companies such as Airbnb and VRBO; a shift from the ‘traditional’ cottage rental historically managed by a property owner; and

Whereas over the past decade a flood of properties have been removed from the ownership and long-term rental market (*Canada Research Chair in Urban Governance at McGill University*) contributing to housing shortages, increased housing demands and increased housing costs resulting in housing affordability issues, including affordable rentals; and

Whereas short term rentals (STR) can be beneficial, when operated appropriately, by providing solutions for the accommodation industry that supports local tourism and small businesses as well as providing an opportunity for property owners to generate income from their residence (permanent or seasonal) using a convenient third-party system; and

Whereas STR’s can create nuisances including noise, parking, high volumes of visitors attending a property, septic capacity and fire safety, for adjacent residential property owners who wish to experience quiet enjoyment of their property; and

Whereas research indicates that demand for STR’s is increasing, in part due to vacationers choosing domestic travel options as well as the financial benefits to property owners, demonstrating that STR’s are here to stay; and

Mailing Address
PO Box 270
Bridgenorth
Ontario K0L 1H0

Tel: 705 292 9507
Fax: 705 292 8964

Whereas there are no Provincial regulations in place governing third party STR companies resulting in a variety of regulations/guidelines being implemented at the local municipal level which creates inconsistencies, confusion and frustrations for both consumers and residents across the Province;

That the Township of Selwyn request that the Province move forward as soon as possible to legislate that all third party Short Term Rental brokerage companies, for example Airbnb and VRBO, appropriately manage and be responsible for their listings and to compel compliance that the Province establish the requirement for STR companies to require each rental listing to be registered and to pay an appropriate annual fee and that STR company provide this registry along with the collected fees to the municipality in which the STR properties are located which allows the municipality to be aware of all registered STR properties and to have access to funds for municipal expenses to enforce/respond to issues at a STR property; and further

That the Province require the STR company to de-list/remove the property from the company's listings so that the property cannot be rented where a municipality has identified and verified life, health and/or nuisance infractions including noise, fire safety, septic, etc...

That a copy of this resolution be sent to all Ontario municipalities for support as well as to Minister of Municipal Affairs and Housing Steve Clark, local M.P.P. Dave Smith and M.P. Michelle Ferreri.

Carried.

Re: Reducing Municipal Insurance Costs

Please be advised that Council of the Town of Halton Hills at its meeting of Monday, June 19, 2023, adopted the following Resolution:

WHEREAS escalating insurance costs are one of the Town of Halton Hills' priorities;

AND WHEREAS the Town of Halton Hills' annual insurance premiums have increased from \$594,404 (1.32% of taxes) to \$2,073,319 (3.28% of taxes) from 2017 to 2023, representing an accumulated increase of 248.8% over this period;

AND WHEREAS the annual increase to the Town of Halton Hills' insurance premiums have been one of the most significant constraints in limiting yearly tax levy increases over the past seven years;

AND WHEREAS Ontario Municipalities are experiencing higher insurance rates at each renewal with limited access to insurance companies willing to quote on municipal insurance needs;

NOW THEREFORE BE IT RESOLVED that the Town of Halton Hills Council calls on the Province to take action to reduce municipal insurance costs;

AND FURTHER that this Resolution be forwarded to the Association of Municipalities of Ontario (AMO), the Minister of Finance, the Minister of Municipal Affairs and Housing, MPP Ted Arnott and all Ontario Municipalities for support.

Attached for your information is a copy of Resolution No. 2023-0125.

Dear Ministers:

On behalf of the Council of the Town of Bradford West Gwillimbury, we are writing to you pursuant to the enclosed motion to endorse the right-to-repair movement and to call on your government to expedite the promised consultations to enshrine this principle in consumer-protection law, with specific consultations and measures related to supporting the agricultural sector undertaken.

Right to Repair is a simple environmental and consumer protection measure: it ensures consumers are able to reasonably access repairs to electronic and other devices at a fair price, rather than creating a monopoly through technology companies only being able to repair their own products. This measure will also help reduce waste by combatting planned obsolescence, where companies make products that are only intended to last for a period of some years, and are not really repairable.

Further, farmers and growers are intimately familiar with the particular nuances of this issue when it comes to increasingly high-tech agricultural equipment. As the “soup and salad bowl of Canada”, Bradford West Gwillimbury is home to many farmers and growers, so we know firsthand how important an issue these consultations will be.

Our Council has shown in recent years that we are at the forefront of advocating for important environmental protections, including the Freshwater Action Fund, and we are grateful to our new Green Initiatives Committee for recommending this current piece of advocacy to protect the environment and consumers.

A copy of the motion is enclosed. We would be happy to meet with you or your representatives to discuss this further.

Sincerely yours,

James Leduc

At its Regular meeting of Council held on Tuesday, June 6, 2023, the Town of Bradford West Gwillimbury Council approved the following resolution:

Resolution: 2023-199

Moved: Councillor Verkaik

Seconded: Councillor Harper

Whereas the “right-to-repair” movement seeks to ensure consumers of electronic products, including mobile phones and computers, as well as agricultural equipment, are able to make routine fixes to damaged products without having to rely on the manufacturer and to affordably make such repairs; and

Whereas this movement and efforts against “planned obsolescence” seeks to ensure affordability for consumers and to protect our environment by reducing electronic waste; and

Whereas the agricultural sector has unique needs related to specialized electronic farm equipment and the ability to make repairs in a timely and affordable manner, especially during the growing season; and

Further to a commitment in the 2023 federal budget that “the government will work to implement a right to repair, with the aim of introducing a targeted framework for home appliances and electronics in 2024. The government will launch consultations this summer, including on the right to repair and the interoperability of farming equipment, and work closely with provinces and territories to advance the implementation of a right to repair” (p. 38); and

Be it therefore resolved that the committee recommend Council endorse the right-to-repair movement through a letter from the Mayor and Green Initiatives Committee Chair to call on the federal government to expedite the promised consultations to enshrine this principle in consumer-protection law, with specific consultations and measures related to supporting the agricultural sector undertaken; and

That a copy of this resolution and letter be shared with the Minister of Innovation, Science and Economic Development; the Minister of Agriculture and their critics; and the Member of Parliament for York—Simcoe; and to the Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO) and Ontario’s Municipal Councils, with a request for their endorsement of same.

RE: STAFF REPORT 2023-0327: ILLEGAL LAND USE ENFORCEMENT UPDATE

Dear Premier Ford,

I am writing to advise that at the Town Council meeting held on June 20, 2023, Council adopted a resolution regarding Staff Report 2023-0327: Illegal Land Use Enforcement Update.

The resolution reads as follows:

That the Illegal Land Use Enforcement Taskforce's mandate be expanded to include other types of illegal land uses and not solely on illegal trucking land uses; and

That the Province be requested to strengthen municipal enforcement powers by:

- *Amending the Municipal Act to enable municipalities to physically bar entry to properties where illegal land uses that have significant detrimental impacts on adjacent residential properties, the environment or create unsafe situations;*
- *Increasing the maximum penalty amounts in the Planning Act to \$50,000 for an individual upon conviction and on a subsequent conviction, not more than \$25,000 for each day in which the contravention has continued after the day in which the person was initially convicted; and*
- *Including provisions to ensure a corporation is liable to fines of not more than \$100,000 upon first conviction and not more than \$50,000 for each day in which the contravention has continued after the day in which the corporation was initially convicted.*
