

Release Form for Participants

Yellow Fish Road™ Program

We agree to save harmless the City of Burlington from all claims arising as a result of working near city roads. It is also the responsibility of the key contact (or designate) to supervise the group while marking the storm drains.

We agree to carry out the project on sidewalks along local residential streets only, in the general location(s) listed below and during the time period(s) specified.

I have read and understand the above noted responsibility clauses and hereby acknowledge that the Corporation of the City of Burlington is not liable for any personal injury or destruction of property associated with the Yellow Fish Road™ program.
