

## Trout Unlimited Canada Volunteer Agreement for The Yellow Fish Road™ Program

We understand, as volunteers for Trout Unlimited Canada's Yellow Fish Road™ (YFR) Program, it is the responsibility of the group to:

1. **Provide your own insurance** (as Trout Unlimited no longer offers commercial general liability insurance as of Aug. 1, 2019). **By signing and participating, you are confirming that you have your own insurance should the need arise.**
2. Designate a group leader to read the YFR Program Guide and be responsible for the group implementing the YFR program.
3. Obtain the necessary supplies and permissions, as outlined in the YFR Program Guide, whether through a YFR Partner, or through our own means.
4. Ensure group members understand and follow the safety and painting procedures outlined in the YFR Program Guide (or by a YFR Partner or the municipality). **Painting is to be done on sidewalks and not on roads.**
5. Ensure the group is supervised at all times while marking the storm drains.
6. Ensure that any group members under the ages of majority have written parental consent to participate; and ensure that parents understand that the group leader, not Trout Unlimited Canada, will be supervising the painting.
7. Ensure a minimum of 1:6 adult to child ratio for the marking.

I have read, understood and agree with this Volunteer Agreement (please fax to 905 681-9342 or scan this page and send agreement to [yellowfishroad@burlington.ca](mailto:yellowfishroad@burlington.ca)).
