Street improvements and watermain replacement in the Autumn Hill Area Project Update – March 2023

[Burlington.ca/AutumnHillPalmer](https://www.burlington.ca/AutumnHillPalmer)

Project Schedule

The remaining project works in the Autumn Hill area are scheduled to begin in the next couple of weeks. Resident should expect to see the Contractor mobilize during the week of March 20th, 2023, including survey work, construction signage and barrel setup, and active construction as early as the week of March 27th, 2023. This timeline has the potential to be affected by weather. Construction is currently scheduled to be complete by the end of May 2023.

Parking

During normal construction hours, Monday to Friday, 7 a.m. to 5:30 p.m., vehicle access to and from your property may be difficult. Driveways may be temporarily closed when work is being carried out in the immediate area. When your driveway is inaccessible or closed, please park on a neighbouring street, or where no construction is taking place. If your vehicle will be in contradiction to the below by-law, register your vehicle for the On-Street Parking Exemption Program at:

www.burlington.ca/exemption

The parking exemption allows a vehicle to park on the street beyond the 5-hour limit or overnight between 1 a.m. to 6 a.m., up to 15 days per calendar year, per license plate.

The only two parking offences waived AFTER a vehicle is registered for a parking exemption are:

1. park exceeding 5-hour limit
2. park between 1 a.m. to 6 a.m.

All other parking offences apply as they are not part of the parking exemption program.

If you have any questions about parking, please contact Parking Services at 905-335-7816.
