## Rexway Drive Area Minor Reconstruction Phase 2

Braemore Road and  
Walker's Line Intersection

Maintaining clean  
drinking water

Road resurfacing

### Notice of Night Work – PR-3151B

August 2022

#### About This Project

#### IMPROVEMENTS

In May 2021, Halton Region and the City of Burlington began Phase 2 of the Rexway Drive Area Minor Reconstruction Project, Ward 4, in the City of Burlington. Infrastructure improvements include watermain and water service replacement (Region) and curb, sidewalk, and asphalt replacement (City). For more information about this project, please refer to the City's website:

<https://www.burlington.ca/en/news/current-city-projects-and-construction/rexway-drive-area-minor-reconstruction-phase-2.aspx>.

You are receiving this notice due to night work scheduled in your area to facilitate watermain works. Night work is required at this location to maintain motorist and contractor safety and minimize traffic and transit disruptions on Walker's Line. **Please be advised that night work is scheduled to occur over two nights between August 15, 2022 and August 19, 2022 from 7:00pm to 7:00am.**

Motorists should expect delays when travelling through the area.

We will make every effort to complete the construction work as quickly as possible to minimize the impact of the night work. Temporary traffic management will be in place to maintain traffic.

**COVID-19 Update:** Regional staff and contractors will be following health and safety guidelines set out by the Province and Public Health to help stop the spread of COVID-19. For more information, please visit [halton.ca](http://halton.ca).
