Walkers Line and Britannia Culvert Replacement

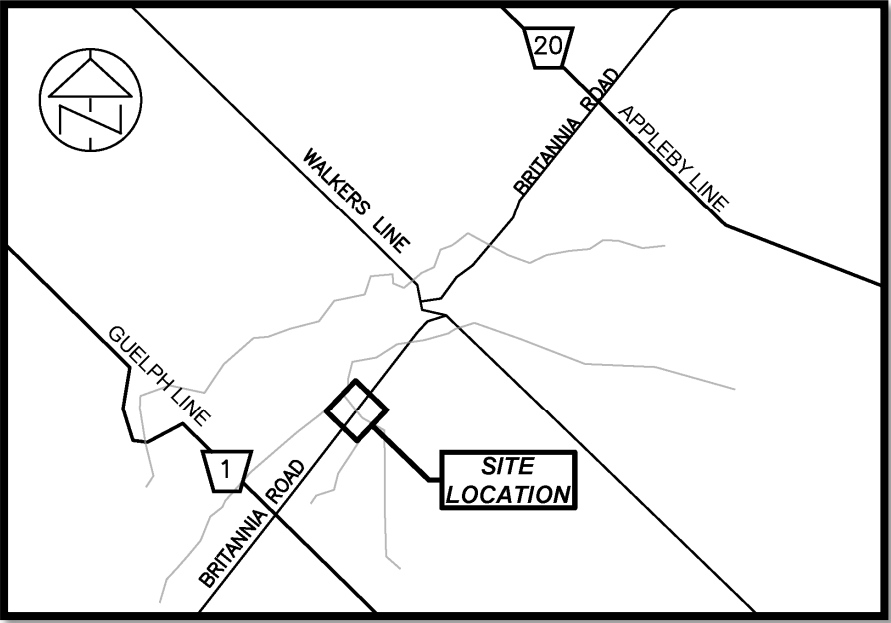

Project Update – June 2026

Burlington.ca/WalkersLnCulvert

The City of Burlington will be replacing a stormwater culvert structure on Britannia Road between Guelph Line and Walkers Line. A road closure will be needed on Britannia Road at the culvert project location to allow for construction. The project will include a culvert replacement, local road restoration, and landscape restoration.

Project Location

2026: Britannia Rd., 725 metres west of Walkers Line

Project Scope and Schedule

Construction activity will begin mid June 2026 and proceed as detailed below. Please note that this construction schedule is tentative and subject to change.

Utilities

Disruption to your home internet or telephone service may occur. This is a concern for those working and schooling from home, the City has flagged this concern with utility companies. Our goal is to have internet disconnections repaired by the provider within 24 hours. The Contractor will typically contact the utility company, however, if you lose service, please inform your utility provider and the City of the interruption.

Vibration

You may experience some minor vibration from construction equipment. As a precaution, we recommend that you remove or secure objects on shelves and walls.

Tree Removals

Tree protection barriers will be erected around all trees within the right-of-way. Some trees will require removal or pruning.
