Rambo Creek Erosion Control Project Mountainside Drive to Industrial Street Notice of Public Information Centre

Background

In 2020 the City of Burlington completed an erosion assessment of its watercourses and found two locations of concern along Rambo Creek, between Mountainside Drive and Industrial Street. An Erosion Control Environmental Assessment (EA) Study has been started under “Schedule B” of the Municipal Class EA process.

The City of Burlington will be doing repair work on Rambo Creek for approximately 230m between Mountainside Drive and Industrial Street, as shown in the map. The goal of the repair works include long-term erosion protection, improved aquatic habitat, and minimizing property and infrastructure loss. Other strategies for the repair and stabilization of Rambo Creek will be investigated.

Public Engagement

As public engagement is an important part of City projects, the City will be holding a Public Open House where the options and construction timing will be discussed. Public input and comments are welcomed and will be considered in the completion of the project.

Online Public Information Centre

Online Public Information Centre (PIC) will be hosted where the residents will have an opportunity to share input, concerns, and comments regarding the construction of the project.

How to Participate:

Step 1: Visit [Burlington.ca/rambocreek](https://www.burlington.ca/rambocreek) by using your computer or mobile phone

Step 2: View the PIC materials provided on the website.

Step 3: Attend the web presentation as per details below:

When: Wednesday, Feb. 15, 2023 from 6 to 7:30 p.m.
(1 hour presentation, 30-minute Q&A)

Where: Teams Meeting - www.microsoft.com/en-ca/microsoft-teams/join-a-meeting
Meeting ID: 224 819 212 629
Passcode: WfHGeB

For those who are unable to attend, the presentation slides will be available for review on the City's webpage. We encourage you to participate by reviewing the information materials and providing any comments to the Project Team. Information will be collected in accordance with the Municipal Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record.
