**PART 11 – POSTING OF ADVISORY SIGN**

**POSTING OF ADVISORY SIGN**

This will confirm the requirement of the Committee of Adjustment for a sign to be posted by all applicants or agents on each property under application.

A sign will be made available to you after completion of the zoning review of your application(s) and you are directed to post each sign in a prominent location that will enable the public to observe the sign.

The location of each sign will depend on the lot and location of structures on it, however, the sign should be placed so as to be legible from the roadway in order that the public can see the sign and make note of the telephone number should they wish to make inquiries. In most cases, please post the sign on a stake as you would a real estate sign. For commercial or industrial buildings it may be appropriate to post the sign on the front wall of the building at its entrance. Please contact the undersigned if you have any queries on the sign location.

**DO NOT POST THE SIGN INSIDE THE BUILDING BY A WINDOW. The sign must be outdoors by the roadway in order to be visible and readable.**

Each sign must remain posted beginning 14 days prior to the hearing, until the day following the hearing. Please fill in the form below indicating your agreement to post the sign(s) as required. This form must be submitted with the application so that it may be placed on file as evidence that you have met the committee's requirements. Failure to post the sign as required will result in deferral of the application.

**I UNDERSTAND THAT EACH SIGN MUST BE POSTED AT LEAST 14 DAYS BEFORE THE HEARING, AND WILL REMAIN POSTED AND BE REPLACED, IF NECESSARY, UNTIL THE DAY FOLLOWING THE HEARING.**

## Frequently Asked Questions

### **What is involved in the application process?**

Once you have submitted your application, the Secretary-Treasurer will circulate to staff and agencies for comment. All property owners within 60 m (200 ft) of the site will be notified in writing fourteen (14) days prior to the meeting. This notice, setting out the time, date, and place of the hearing, is also sent to the owner and agent listed on the application. The Secretary-Treasurer will be able to provide the date of your hearing when zoning has finished its review.

### **When does the committee meet?**

If your project does not include any minor variances to the Zoning By-law and no objection from city staff or public (determined after necessary public consultation and the preparation of the staff report), the Director of Community Planning has authority to approve the application. However, if a hearing is necessary, Committee meetings are held twice a month on Wednesdays, alternating between 1:00 pm start times and 5:30 pm start times. Meetings will be conducted via a hybrid model at City Hall, Council Chambers and Zoom Webinar video conferencing technology.

### **How can you prepare for the hearing?**

You will receive a copy of the agenda containing all staff comments prior to the hearing. As well, any letters received from the public will be e-mailed to the owner and agent as soon as they are received.

### **What happens next?**

The committee will make its decision at the meeting which is followed by a 20 (twenty) day appeal period. During this time, you or a specified person or public body that has an interest in the matter has the right to appeal to the Ontario Land Tribunal (OLT). At the end of the appeal period, if there has been no appeal, the committee's decision is final and binding.

If the committee defers its decision to a later date, the applicant will receive written confirmation of the deferral. The applicant should proceed expeditiously so the application can be rescheduled for another hearing. A deferral fee may be charged and is payable prior to the scheduling of a new hearing. A revised application and a revised application fee may also apply.

If approval was given subject to conditions and no appeals are submitted, the owner/agent is responsible for meeting all conditions. A decision does not take effect until all conditions are met within the given time periods. When all conditions have been fulfilled, the notice of final consent will be released.

### **How do you appeal the decision?**

If you are dissatisfied with the decision, you may, during the 20 (twenty) day appeal period, deliver personally to the Secretary-Treasurer or send by registered mail, a "notice of appeal form" (available on the OLT website) with reason for appeal, together with a cheque in the amount of \$400.00\* made payable to the Minister of Finance. The appeal is then forwarded, with all necessary material, to the OLT. The OLT office will notify you of a hearing date to present your appeal to the Board.

If you have any further questions, please contact Committee of Adjustment at (905) 335-7629 or [committeeofadjustment@burlington.ca](mailto:committeeofadjustment@burlington.ca)

\*Additional fees may apply. Please confirm fee directly with the OLT
