

## **PRE-BUILDING APPROVAL PROCESS**

### **For Residential Applications (10 Units or Less)**

Applications for construction or renovations may be subject to review under the City's Zoning By-law, Private Tree By-law, Public Tree By-law, and Grading and Drainage Clearance Certificate By-law.

This Pre-Building Approval application will initiate the process for determining the requirements for Zoning, Engineering, and Forestry reviews and the associated approvals.

- ✓ You need a **Zoning Clearance Certificate** before you can apply for a Building Permit.

For more information on Zoning Clearance Certificates refer to the [Zoning Web Page](#).

- ✓ You need a **Grading and Drainage Clearance Certificate** before a Building Permit can be issued.

For more information on Grading and Drainage Clearance Certificates refer to the [Development Engineering Web Page](#).

- ✓ You need a **Tree Permit** before construction can begin.

For more information on Tree Permits refer to the [Forestry Web Page](#).

**Complete the applicable Zoning, Grading, and Forestry checklist and include them with your submission.**

**[CLICK HERE](#) to find the checklists on our webpage.**

## BEFORE YOU APPLY

### Is approval from other agencies required?

Be advised: Applicants must **contact outside agencies directly** to determine whether approvals are required. If outside agency approval is required, then it must be included as part of a complete submission to the City.

Conservation Halton (CH) approval

Ministry of Transportation (MTO) approval

Niagara Escarpment Commission (NEC) approval

Pipeline approval (ex. TransCanada, Trans-Northern, Enbridge)

Burlington Hydro approval

Other: \_\_\_\_\_

### Is a property survey required? Select one:

An application that includes exterior work must be accompanied by:

- A readable and legal (signed or stamped by OLS) property survey; OR
- A Grading and Drainage Plan stamped by an Ontario Land Surveyor (OLS) or Professional Engineer.

An application that does not include exterior work does not require a survey.

### What documents do I need to apply?

A complete application for Zoning, Grading and Drainage, and Forestry review may require various technical documents including but not limited to:

- Architectural Floor Plans and Elevations
- Site Plan
- Arborist Report
- Tree Protection Plan
- Grading and Drainage Plan

**Review the checklists linked on Page 1 to determine your complete list of documents.**

Property Owners are encouraged to hire a professional to prepare the required documents and help navigate the application process.

## SUBMISSION STANDARDS / DIGITAL SUBMISSION PROCESS

The City of Burlington is not accepting hard copy submissions for:

- Zoning Clearance Certificate
- Grading and Drainage Clearance Certificate
- Tree Permit

Email your complete application and all documents to [zoning@burlington.ca](mailto:zoning@burlington.ca).

All documents must be digitally submitted in PDF format.

All documents must be attached to a single email when possible.

Do not separate drawing packages into individual pages. Architectural drawing packages (ex. floor plans, elevations, sections) should be combined into a single document.

Follow the naming standards below. For any other document types not included below, name PDFs plainly so the contents are clear.
