**Correctional Facility:** means a facility supervised by staff on a daily basis for persons who have been placed on probation, released on parole, or admitted for correctional purposes. A **correctional facility** shall be funded, licensed, approved, or supervised by the Province of Ontario, Corrections Canada, or any other Federal Government agency or by any organization on behalf of the Federal or Provincial Government, for the accommodation of not less than 3 and not more than 8 residents, exclusive of staff.

**Creek Block:** means a parcel or block of land, owned by the City of Burlington or other **public authority**, containing a **watercourse** defined as the greater of the Regulatory **Floodplain** or the valley through which the **watercourse** flows and may include an open space buffer area beyond the top-of-bank, but which shall not include a separate parcel or block of land for a storm water detention pond.

## D

**Day Care Centre:** means a premises licensed or required to be licensed as a child care centre under the *Child Care and Early Years Act, 2014*, as amended, providing temporary care or supervision for children. This term also includes premises providing similar temporary day-time care or supervision for adults.

**Daylight Triangle:** means a triangular shaped area which if required, forms part of an intersecting **street**.

**Deck:** means an outdoor platform, including any steps, adjoining a **dwelling unit** that has direct access to the ground, having a floor height 0.6 metres or more above **grade**, and which is used as a **private amenity area**. A **deck** is not covered by a roof and is not enclosed except by railings, guards or **privacy screens**.

**Development:** means the creation of a new **lot**, a change in land use, or the construction of **buildings** and **structures** requiring approval under the *Planning Act*, but does not include: (a) activities that create or maintain infrastructure authorized under an environmental assessment process or identified in provincial standards; or (b) works subject to the *Drainage Act*.

**Driveway:** means a single passageway or series of interconnected passageways, for exclusive or shared private **use**, providing vehicular access between a **street** or condominium common element roadway and an area used for the parking, loading, or storage of a vehicle.

**Dwelling Unit:** means a single **habitable room**, or a suite of **habitable rooms**, located in a **building**, that is used or may be used as a residence by one or more persons living together as a single housekeeping unit, in which both private cooking facilities and private sanitary facilities are provided for the exclusive use of the occupants, and which has an independent

# Definitions

entrance either directly from outside the **building** or through a common hallway or stairway inside the **building**.

**Dwelling, Detached:** means a **building** containing only one **dwelling unit** but may contain one or more **additional residential units** where permitted by this By-law.

**Dwelling, Semi-Detached:** means a **building** that is divided vertically by a **common wall** into two **dwelling units**, where each **dwelling unit** has independent access and is situated on its own legally conveyable **lot** or **parcel of tied land** having **lot frontage** on a **public street** or **private street**. **Semi-detached dwellings** may contain one or more **additional residential units** where permitted by this By-law.

## E

**Electric Vehicle (EV):** means a **motor vehicle** that uses electricity for propulsion, and that can use an external source of electricity to charge the vehicle's batteries.

**Electric Vehicle Parking Space:** means a **parking space** equipped with **electric vehicle supply equipment**.

**Electric Vehicle Supply Equipment:** means the equipment, including the connectors, attachment plugs, charging cables, and controls, installed specifically for the purpose of safely delivering electrical energy to an **electric vehicle** at a Level 2 charging level or higher.

**Emergency Shelter:** means a premises providing temporary overnight lodging, meals, and essential support services in a supervised setting for persons requiring immediate shelter.

**Established front yard or exterior side yard:** means, in the case of an **interior lot**, the average distance from the **street line** to the **wall** of the **buildings** situated on the two **lots** on either side of the subject **lot**, or where one of those **lots** is vacant, the next adjacent occupied **lot**. In the case of a **corner lot**, the distance from the **street line** to the **wall** of the **building** situated on the **lot** adjacent to the subject **lot**, or where that **lot** is vacant, then next adjacent occupied **lot**.

**Existing:** means **existing** as of the effective date of the provision that contains that word.

## F

**Fence:** means a barrier erected for the purpose of enclosing all or part of a **lot**, or marking a boundary. This includes associated gates, but excludes retaining walls or landscape features such as trellises or arbours unless they form an integral part of the **fence structure** itself.

**Fitness Centre:** means premises operated for profit or gain where facilities are provided for physical fitness activities such as weightlifting, exercise equipment use, and fitness classes, and may include **accessory** facilities.

# Definitions

**Flooding Hazard:** means the inundation, under the conditions specified below, of areas adjacent to shoreline or a river or stream system and not ordinarily covered by water:

- a) Along shorelines of the Great Lakes – St. Lawrence River System and large inland lakes, the **flooding hazard** limit is based on the one hundred year flood level plus an allowance for wave effects and other water-related hazards;
- b) Along river, stream and small inland lake system, the **flooding hazard** limit is the greater of:
  - i) The flood resulting from the rainfall actually experienced during a major storm such as the Hurricane Hazel storm (1954), transposed over a specific watershed and combined with local conditions, where evidence suggests that the storm event could have potentially occurred over watershed in the general area;
  - ii) The one hundred year flood; and,
  - iii) a flood which is greater than i) or ii) which was actually experienced in a particular watershed or portion thereof, for example, as a result of ice jams and which has been approved as the standard for that specific area by the Minister of Natural Resources and Forestry;

except where the use of the one hundred year flood or the actually experienced event has been approved by the Minister of Natural Resources and Forestry as the standard for a specific watershed (where the past history of flooding supports the lowering of the standard).

**Floodplain:** means the area, usually low lands, adjoining a **watercourse**, which has been or may be subject to **flooding hazards**.

**Floor Area, Accessory Building or Structure:** means the sum of the total horizontal area of each floor located at or above **grade**, measured to the outside of the exterior walls or posts of an **accessory building or structure**.

**Floor Area, Gross:** means the sum of the total horizontal area of each floor of a **building** measured from the exterior face of the exterior walls and the centre line of walls separating two **buildings** or uses but excluding the following areas: **motor vehicle parking areas**; bicycle **parking areas** located in a **parking structure**; loading areas; **basements**; **mechanical penthouses** and **floor area** used exclusively for mechanical or electrical systems serving the **building** (including mechanical shafts); elevator shafts; stairwells; and non-habitable attics.

## G

**Garage, Private:** means an enclosed **accessory building**, or an enclosed portion of a **principal building**, designed or used primarily for the parking or storage of **motor vehicles** and **accessory** to the principal **use** conducted on the same **lot**.

**Grade:** means, when used with reference to a **building, structure, deck** or **porch**, the lowest elevation of the finished surface of ground where it meets the **building, structure, deck** or **porch**.

# Definitions

**Grade, Established:** means the geodetic elevation taken at the midpoint of the **front lot line**.

**Group Home:** means a single housekeeping unit in a residential **building** that is occupied by 6 to 8 persons (excluding staff or receiving family), living together under supervision that is licensed, approved, or funded under an Act of the Parliament of Canada or the Province of Ontario for the provision of specialized care or supervision.

## H

**Habitable Room:** means a room within a **dwelling unit** that is used or may be used for living, sleeping, eating, or cooking. This excludes a bathroom, water closet compartment, laundry room, pantry, corridor, stairway, closet, lobby, **private garage**, **basement** primarily used for storage/**utility**, non-habitable attic, sunroom not usable year-round, or any space used for **building** services or common access.

**Hazardous Lands:** means property or lands that could be unsafe for **development** due to naturally occurring processes. Along the shorelines of the Great Lakes – St. Lawrence River System, this means the land, covered by water, between the international boundary, where applicable, and the furthest landward limit of the **flooding hazard**, erosion hazard or dynamic beach hazard limits. Along river, stream and small inland lake systems, this means the land, including that covered by water, to the furthest landward limit of the **flooding hazard** or erosion hazard limits.

**Height, Building:** means, in the **case of a principal building**, the vertical distance between the **established grade** of a **building** and the top of such **building**. In the case of an **accessory building or structure**, it means the vertical distance between the **grade** of the **accessory building or structure** and the top of such **accessory building or structure**. The top is the highest point of the roof surface, **parapet**, or exterior wall, whichever is greater. In the case of a **structure** with no roof, the top is the highest point of the **structure**.

**Height, Podium:** means the vertical distance measured from **established grade** to the highest point of the main roof surface of the **podium**.

**Home Day Care:** means an **accessory use** where temporary care or supervision is provided within a **dwelling unit**, or a **building accessory** thereto, operated by a resident of that **dwelling unit**. Where care is provided for children, it must be in accordance with the regulations, including the maximum number of children permitted, under the *Child Care and Early Years Act, 2014*, as amended (whether licensed or unlicensed under that Act). Where care is provided for adults, it shall be for no more than five adults. Overnight accommodation shall not be provided for persons receiving care as part of a **home day care**.

**Home Occupation:** means an activity that provides a service as an **accessory use** within a **dwelling unit**. A **home day care** is considered a **home occupation**.

# Definitions

## I

**Internal Roadway:** means a right-of-way or roadway that provides vehicular access to the **parking areas** and **parking spaces** on a residential property intended for multi-unit residential **development** and is not a **lane** or **private street**.

## K

**Kenel:** means an establishment **accessory** to a residential or **agricultural use** for the keeping, breeding, and raising of domesticated animals for profit or gain but which does not include a veterinary establishment.

## L

**Landscaped Open Space:** means that portion of the **lot area** which is required by this By-law to be used for landscaping, and which excludes the area occupied by: **buildings**, **driveways**, bicycle parking, snow storage, transformers, **parking areas**, **parking spaces**; and **loading spaces**. For clarity, **landscaped open space** includes areas defined as **hard landscaped open space**, and **soft landscaped open space**, and may include green roofs and approved low impact **development** or stormwater management features when integrated as landscape elements, subject to any specific regulations elsewhere in this By-law.

**Landscaped Open Space, Hard:** means an area of land within a **lot** dedicated to a **walkway** or other area on a **lot** surfaced by stable or fitted materials such as unit pavers, patio stones, concrete, gravel, stonework or artificial turf or similar materials, but does not include any **driveway**, **internal roadway**, **private street**, ramp or **parking area**, **parking space** or **loading space**, whether surfaced or not.

**Landscaped Open Space, Soft:** means an area of land within a **lot** which is open and uncovered to the sky and dedicated to the planting of trees, shrubs, flower beds, grass or other vegetative landscaping and may also include **accessory** ground cover as well as other decorative landscape features, but excludes hard surfaces such as **driveways**, **walkways**, **patios** or **decks**.

**Lane:** means a public or private right-of-way providing a means of access to **lots abutting** thereon.

**Licensed Establishment:** means premises, which may include a **restaurant**, nightclub, micro-brewery, or micro-distillery, that sells, provides, or serves alcohol pursuant to a licence issued by the Alcohol and Gaming Commission of Ontario (AGCO), but does not include premises operating solely under a Special Occasion Permit or premises owned and operated by the **City**.

**Loading Space:** means an off-street space for the temporary parking of vehicles while loading or unloading merchandise or materials.

# Definitions

**Long Term Care Facility:** means a premises licensed or approved as a long-term care home under the *Fixing Long-Term Care Act, 2021*, as amended.

**Lot:** means a parcel of land under one ownership which is established as a separate parcel of land in accordance with the **lot** creation sections of the *Planning Act* which **abuts a public street**, except if it has been created as a **parcel of tied land** or unit in a vacant land condominium, in which case, it may **abut a private street**.

**Lot Area:** means the total horizontal area within the **lot lines** of a **lot**.

**Lot, Corner:** means a **lot** situated at the intersection of and **abutting** upon two or more **streets** or two parts of the same **street**, where the **street lot lines** have an angle facing the **lot** of 135 degrees or less. In the case of a curved **street lot line**, such angle shall be formed by the projected tangents drawn from the end points of the **street lot line**. A **corner lot** does not include an angle formed by a **lot abutting** the bulb of a cul-de-sac or a turning circle.

**Lot, Interior:** means a **lot** other than a **corner lot** or a **through lot**.

**Lot, Through:** means a **lot** bounded on two opposite sides by **streets** provided that if any **lot** qualifies as both a **corner lot** and a **through lot**, it shall be deemed a **corner lot** for the purposes of this By-law.

**Lot Coverage:** means the percentage of the **lot area** covered by: 1) **buildings**; 2) **porches**; 3) **decks** containing a **basement** under the platform; and, 4) **accessory buildings and structures**. **Lot coverage** is measured to the outside of the exterior walls or posts, including all **buildings** and projections (cantilevered floor space, window projections, etc.).

**Lot Depth:** means the horizontal distance between the **front** and **rear lot lines**. If the **front** and **rear lot lines** are not parallel, **lot depth** means the length of a straight line joining the middle of the **front lot line** with the middle of the **rear lot line**.

**Lot Frontage:** means the horizontal distance between the **side lot lines** measured along the **front lot line**, provided that where the **front lot line** is not a straight line, or where the **side lot lines** are not parallel, the **lot frontage** shall be measured by a line at the **front yard setback** and parallel to the chord of the **front lot line**. For the purposes of this By-law, the chord of the **front lot line** is a straight line joining the two points where the **side lot lines** intersect the **front lot line**.

**Lot Line:** means any boundary of a **lot**.

**Lot Line, Exterior Side:** means a **side lot line** that abuts a **street**.

**Lot Line, Front:** means the **lot line** dividing a **lot** from a **street**. On a **corner lot**, the shorter **lot line abutting a street** is the **front lot line**; if such lines are equal, the **front lot line** shall be designated by the **City**. On a **through lot**, the **front lot line** is typically the one providing primary vehicular access to the principal **use**, but may be otherwise designated by the **City**.

**Lot Line, Interior Side:** means a **side lot line** that abuts another **lot**.

# Definitions

**Lot Line, Rear:** means the **lot line** or point of intersection of the **side lot lines** farthest from and opposite the **front lot line**.

**Lot Line, Side:** means a **lot line** other than a **front lot line** or a **rear lot line**.

**Lot Line, Street:** means the division between a **street** and a **lot**.

**Lot of Record:** means a **lot** according to a registered plan of subdivision, or a parcel of land, the deed to which was registered prior to December 31, 1970, but does not include a **lot** in a registered plan which has been designated by By-law as a plan which shall be deemed not to be a registered plan of subdivision in accordance with the regulations of the *Planning Act*.

## M

**Mechanical Equipment:** means equipment, devices, apparatus, and systems necessary for the functional operation and maintenance of a **building, structure, or use** located therein, including but not limited to equipment associated with heating, ventilation, air conditioning (HVAC), plumbing, electrical distribution, emergency power generation, fire suppression, elevators, communication systems, or **swimming pool** filtering and heating. This term applies to the equipment itself, whether located inside or outside a **building or structure**.

**Mechanical Penthouse:** means a fully enclosed **structure** located on the roof of a **building**, used exclusively for housing **mechanical equipment**, electrical equipment, elevator equipment, ventilation equipment, communication equipment, water tanks, or similar systems necessary for the operation of the **building**. A **mechanical penthouse** may include the minimum necessary associated stair or elevator shaft overruns providing access only to the roof level for service and maintenance purposes, but shall not include any **floor area** designed or used for human habitation, amenity space, or access thereto.

**Medical Office:** means premises used for the consultation, examination, diagnosis, or therapeutic treatment of human patients primarily on an out-patient basis by one or more physicians, dentists, or other health professionals governed by the *Regulated Health Professions Act, 1991*, as amended. A **medical office** may include a medical laboratory, diagnostic imaging facility, pharmacy, or dispensary as an **accessory use**, but does not include a hospital.

**Mezzanine:** means an intermediate floor assembly between the floor and ceiling of any room or **storey**, which may be enclosed or open to the room or **storey** below, and includes an interior **balcony**. For the purposes of calculating **gross floor area** and the number of **storeys** in this By-law, a **mezzanine** shall be included in **gross floor area** and considered a separate **storey** if: (a) it is enclosed by walls (other than required railings or guards) and its **floor area** exceeds 10% of the **floor area** of the room or **storey** in which it is located; or (b) it is not enclosed by walls and its **floor area** exceeds 40% of the **floor area** of the room or **storey** in which it is located.

**Mid-Rise Building:** means a **building** five to eleven **storeys** in height.

# Definitions

**Mobile Home:** means a dwelling designed to be mobile and constructed or manufactured to provide a permanent residence for one or more persons in accordance with the applicable Canadian Standards Association standard.

**Model Home:** means a **building** constructed as an example of a **dwelling unit** type offered for sale or lease within an approved plan of subdivision, plan of condominium, or site plan **development**, which is used temporarily for marketing and display purposes and including **office** and / or show room and / or sales centre but is not occupied for residential purposes during its use as a **model home**.

**Motor Vehicle:** means an automobile, truck, and any other vehicle propelled or driven by other than muscular power, but does not include the cars of electric or steam railways, or other **motor vehicles** running solely upon rails, or a traction engine, farm tractor, self-propelled implement of husbandry or road-building machine within the meaning of the *Highway Traffic Act*.

## N

**Natural Heritage Features and Areas:** means features and areas, including significant wetlands, significant coastal wetlands, other coastal wetlands, fish habitat, significant woodlands, significant valleylands, significant habitat of endangered species and threatened species, significant wildlife habitat, and significant areas of natural and scientific interest, which are important for their environmental and social values as a legacy of the natural landscapes of an area.

## O

**Office:** means premises used primarily for conducting the affairs of a business, profession, service, industry, or government, including administration, clerical work, management, consulting, or the practice of a profession. A **medical office** is considered an **office**. This **use** does not include a **retail store**, **personal service** establishment, or industrial activities such as manufacturing or warehousing, unless otherwise specifically defined or permitted as **accessory**.

**Outdoor Patio:** means an outdoor area **accessory** to a permitted non-residential use, such as a **restaurant** or **licensed establishment**, equipped and used for the seating of patrons for the consumption of food or beverages.

## P

**Parapet:** means an extension of a wall of a **building** above the roof line that forms a barrier at the edge of the roof.

**Parking Aisle:** means an internal access way located within a **parking area** that provides direct access to a **parking space** or **loading space** but shall not be considered a **driveway**.

# Definitions

**Parking Area:** means a **parking aisle** and **parking space** but does not include any part of a **street**.

**Parking Lot:** means the total outdoor area of a **lot** used for the temporary parking of 5 or more **motor vehicles**, comprising **parking spaces**, **parking aisles**, **driveways**, the interior landscaped islands and medians, and may include EV Charging Stations, but excludes the required perimeter landscaped buffer to a **lot line**, for the accommodation of clients, customers, tenants, lessees, employees, or owners, but shall not include occupant **parking spaces** in the **driveway** of individual **dwelling units**.

**Parking Space:** means an area provided for the parking of a vehicle and includes **electric vehicle parking spaces**.

**Parking Structure:** means a **building** or other **structure**, or part thereof, located above or below **grade**, used primarily for the parking or storage of five or more **motor vehicles**, and which may include **electric vehicle parking spaces** or **electric vehicle supply equipment**. This definition excludes a **private garage accessory** to a residential **use** with less than four **dwelling units**.

**Parcel of Tied Land (POTL):** means any parcel of land legally bound and tied to a common element condominium. A **parcel of tied land** must front on either a **public street** or **private street** and shall, subject to the regulations of this By-law that relate strictly to **parcels of tied land**, be regarded as a type of **lot**.

**Parcel of Urban Residential Land:** means a parcel of land that is within an area of settlement on which residential use, other than ancillary residential use, is permitted by By-law and that is served by,

- a) sewage works within the meaning of the *Ontario Water Resources Act* that are owned by,
  - i) a municipality,
  - ii) a municipal service board established under the *Municipal Act, 2001*,
  - iii) a city board established under the *City of Toronto Act, 2006*,
  - iv) a corporation established under sections 9, 10 and 11 of the *Municipal Act, 2001* in accordance with section 203 of that Act, or
  - v) a corporation established under sections 7 and 8 of the *City of Toronto Act, 2006* in accordance with sections 148 and 154 of that Act, and
- b) a municipal drinking water system within the meaning of the *Safe Drinking Water Act, 2002*.

**Passive Recreational Use:** means outdoor recreational areas and facilities requiring minimal land alteration, including walking or hiking trails, interpretative or educational signage, lookouts, boardwalks, picnic areas, benches, shade structures, and bicycle paths, but does not include trails primarily for use by motorized vehicles, formalized sports fields, or significant **buildings**.

# Definitions

**Patio, Residential:** means an outdoor platform adjoining a **dwelling unit** that has direct access to the ground, having a floor height less than 0.6 metres above **grade**, and which is used as a **private amenity area**. A **patio, residential** is not covered by a roof and is not enclosed except by guards or **privacy screens**.

**Permitted Use:** means a **use** permitted by this By-law.

**Personal Service:** means a **building** or part of a **building** where services are provided and administered to individuals and their personal needs and where **accessory** retail sales is permitted and include but is not limited to hair care, esthetics, health and beauty treatment including alternative healthcare services, dressmaking, tailoring, tattooing, piercing, shoe repair, dry cleaner's distribution station, printing and photocopying, and laundromat or similar uses, but shall not include a **body-rub parlour** or **medical office**.

**Podium:** means the lower portion or base of a **mid-rise building** or **tall building**, including the ground floor and potentially **storeys** above, which is clearly differentiated from the **building** portions vertically above it.

**Porch:** means an outdoor platform, including any steps, adjoining a **dwelling unit** that has direct access to the ground, and which is used as a **private amenity area**. A **porch** is covered by a roof and shall have at least one side open except for required railings or guards.

**Principal Building:** means the **building** on a **lot** in which the principal **use** of the **lot** is conducted. A **lot** may have more than one **principal building** only where specifically permitted by this By-law.

**Privacy Screen:** means a decorative wall, **fence** or barrier designed primarily to provide visual privacy for a **patio, deck, balcony**, or part of a **yard**.

**Private Street / Road:** means a private right-of-way providing a means of access to **lots abutting** thereon and is not owned by a **public authority**.

**Public Authority:** means any federal, provincial, Regional Municipality of Halton, or City of Burlington agency, and includes any commission, board, authority, or department established by such an agency exercising any power or authority under a Statute of Canada or Ontario.
