<b>Comments/Concerns/Questions</b>	
1) Do you have any information on the conditions of Tuck Creek within the study area that would be useful for the study team to know? If so, please tell us what they are.	
2) Do you agree with proposed design? Why or why not?	
3) Do you have any concerns about the potential impacts the proposed design may have on the creek or adjacent properties?	
4) Which parapet wall option do you prefer?	
5) Additional questions/comments?
