	Additional Documentation Private sewage system evaluation where applicable - separate permit required Other Applicable Law Ministers Ruling or BMEC Approvals for innovative materials or systems.

Building Permit Issuance

The following items must be completed prior to issuance of a building permit:

- 1 Outstanding balance of permit fees are due and payable at the time of permit issuance. The applicant will be contacted upon completion of the plans review and advised of any outstanding fees.
- 2 Permit shall be released to the owner or applicant. The building department will release permits to other parties only where written authorization has been received from the owner of the property or the applicant.
