

Notice of Public Meeting

Burlington City Council will be considering an amendment to the Building Permit By-law to index building permit fees at a public City Council meeting:

Date: Tuesday, February 15th, 2022
Time: 1pm
Location: Virtual

The proposal is made in accordance with Section 6.11 of the City of Burlington building permit by-law and Section 7 of the Building Code Act. Once enacted by City Council, the amending by-law would index the fees contained in Schedule "A" of City By-Law 66-2019 to the overall % increase for the total Human Resource expenditures as approved in the annual budget in relation to the Building Section.

The proposed indexing is 14.3% and would take effect on March 1, 2022.

Individuals interested in addressing the committee or making a submission on this item are encouraged to register as a delegation by contacting the Office of the City Clerk at clerks@burlington.ca or online at www.burlington.ca/delegation [Delegation Registration - City of Burlington](#) by February 14, 2022 .

Any person may request a copy of the report to be presented and/or may request an estimate of the cost of administering or enforcing the Building Code Act, the amount of the change of the existing fees and the rationale for the change in the fees. If you would like to obtain a copy of the report or have any questions about the by-law or its effect, please contact Nick Anastasopoulos, Chief Building Official at buildingpermits@burlington.ca.

Thank you,

Nick Anastasopoulos,
Chief Building Official
