Street Improvements and Streetlight Upgrades in the Coldstream Drive Area

Project Update 5 – April 2021

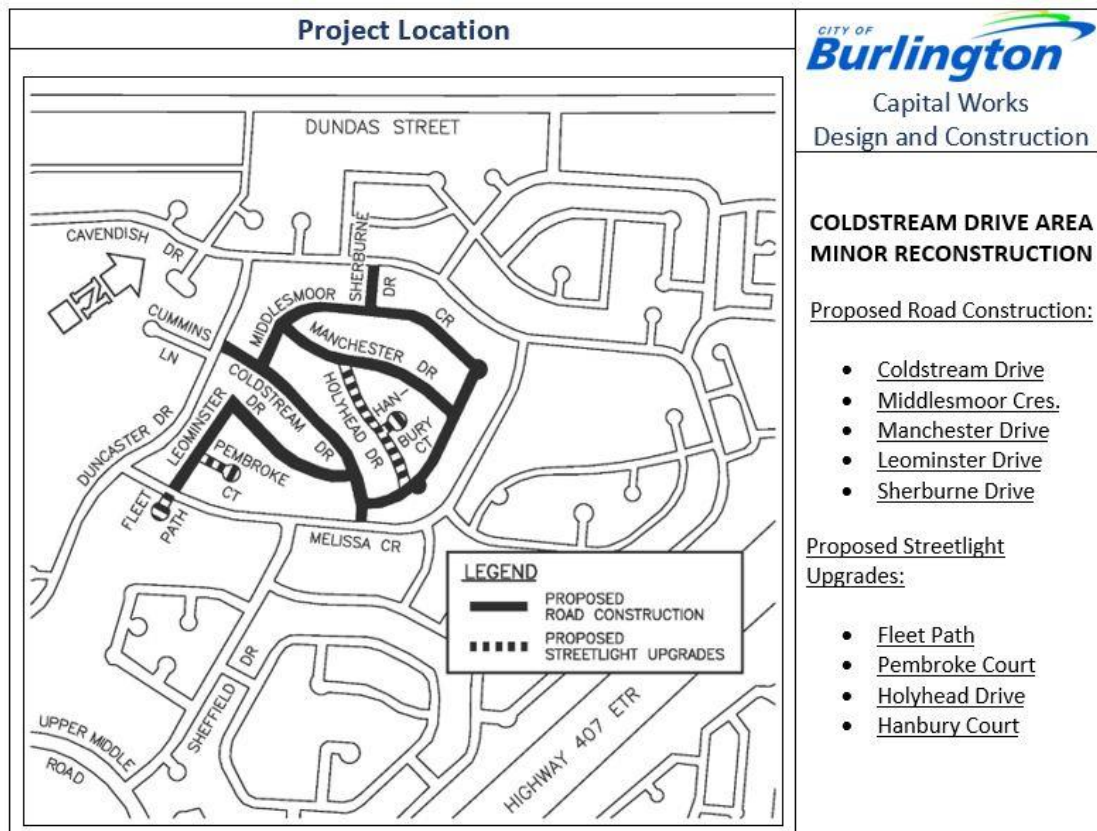

[Burlington.ca/Coldstream](https://www.burlington.ca/Coldstream)

The City Contractor, King Paving and Construction Ltd., is mobilizing on this project to pave the top lift of asphalt on Coldstream Drive and complete other remaining 2021 works throughout the project limits. This will include maintenance hole and catch basin adjustments, sod restoration, asphalt driveway paving, and other minor works.

Project Schedule

All remaining work is scheduled to be completed in April and May 2021.

Garbage Pick-up

Please continue to put your garbage and recycling out on the usual day. To help the contractor return your bins to you when they need to be relocated for pick-up, we ask that you write your house number on your garbage cans, recycling bins, and green carts.

Parking

During normal construction hours, Monday to Friday, 7 a.m. to 5:30 p.m., vehicle access to and from your property may be difficult. Driveways may be temporarily closed when work is being carried out in the immediate area. When your driveway is inaccessible or closed, please park on a neighbouring street, or where no construction is taking place. If your vehicle will be in contradiction of the parking by-law, register your vehicle for the On-Street Parking Exemption Program at:
