

## Planning Application for: 1085 Clearview Ave., & 1082, 1086, and 1090 St. Matthew's Ave. (File: 505-01/19 & 520-02/19)

As you may remember from the previous Notice letters that were mailed in February and March 2019, the City of Burlington has received applications from MHBC Planning on behalf of LIV Communities to re-designate and rezone the property located at 1085 Clearview Ave., and 1082, 1086, and 1090 St. Matthew's Ave. as shown on the sketch below.

The purpose of these applications is to allow for the development of a 6 storey residential building with 162 dwelling units at a density of 258 units per hectare. Access to the site is proposed from Masonry Court. A total of 204 parking spaces are proposed, with 50 surface parking spaces and 154 spaces provided in one storey of underground parking. The east side of the building is proposed to be terraced back from the 3<sup>rd</sup> to 6<sup>th</sup> storeys and the west side of the building is proposed to be terraced back from the 5<sup>th</sup> to 6<sup>th</sup> storeys. The property is currently zoned Residential – Low Density (R2.1) and the current Official Plan designation is Residential – Low Density. The application seeks to change the Official Plan designation to Residential – High Density, and the Zoning to a site specific Residential – High Density (RH1).

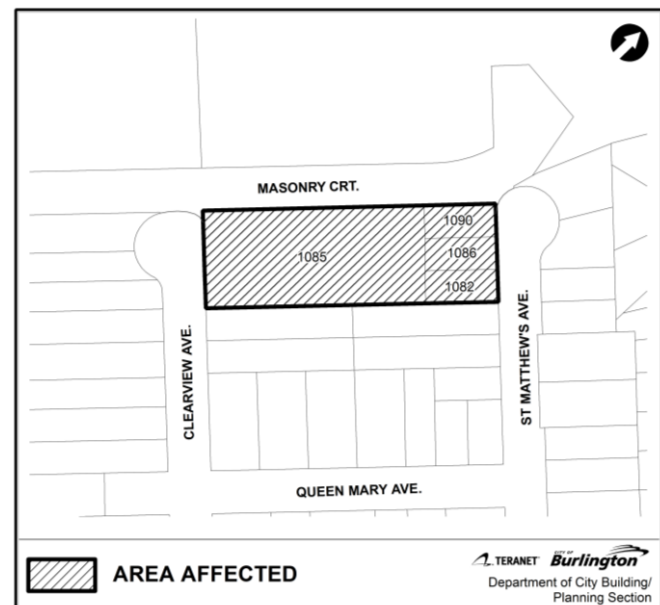

Burlington City Building staff have reviewed these applications along with the comments received from the public and technical agencies to date. Staff will be recommending **refusal** of the proposed amendments to the City's Planning and Development Committee of Council.
