

## Planning Application for: 2087-2103 Prospect Street

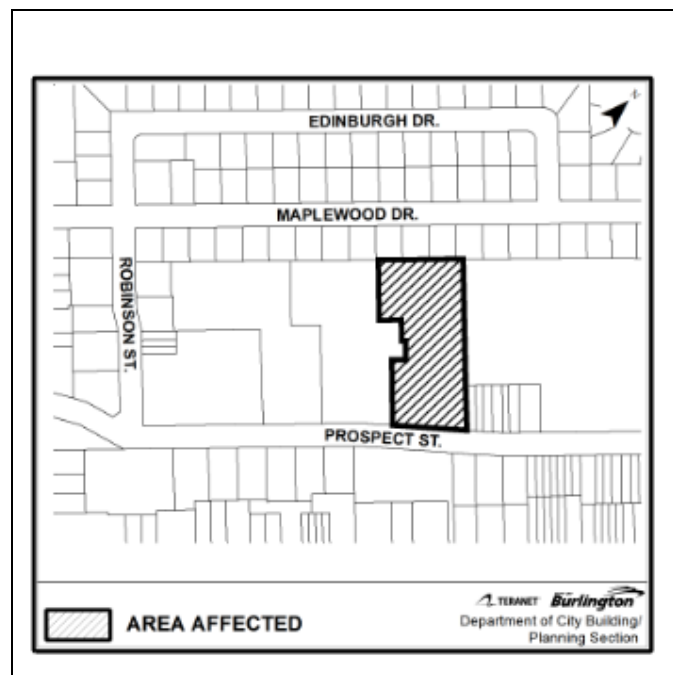

**Files: 505-09/17 & 520-19/17**

As you may remember from the previous Notice letter that was mailed in June 2018, the City of Burlington has received applications from Children's Financial Group to re-designate and rezone the property located at 2087-2103 Prospect Street.

The purpose of these applications is to demolish eight rental townhouses at the rear of the property and construct two blocks of 3-storey stacked townhouses with a total of 40 units. The existing eight storey apartment building will remain. The applicant proposes to change the Official Plan designation from Residential Medium Density to Residential High Density at the back of the property and change the zoning from Medium Density Residential (RM2) to High Density Residential (RH4).

Burlington City Building staff have reviewed these applications along with the comments received from the public and technical agencies to date. Staff will be recommending **modified approval for 36 units** to the City's Planning and Development Committee of Council.
