**Our Reference Number: 17-1521**

Dear Sir;

You will find attached responses that have been received from the regulatory agencies that were requested to perform searches of their records to find information therein that would be relevant to the phase one environmental site assessment that was carried out by us. The responses are from the TSSA and from the MECP. Given that the response received previously were greater than two years old, new requests were made, and the attached documents pertain to the current requests.

We also confirm that parcel of land that was the subject our ESA included lands identified by the PINs 07164-2237, 07184-2490, 07184-2491, and 07184-2236.

We trust that this is satisfactory. Please contact in the event you have any queries.

Yours truly,  
**Candec Engineering Consultants Inc.**
