File: 505-04/19 & 520-08/19

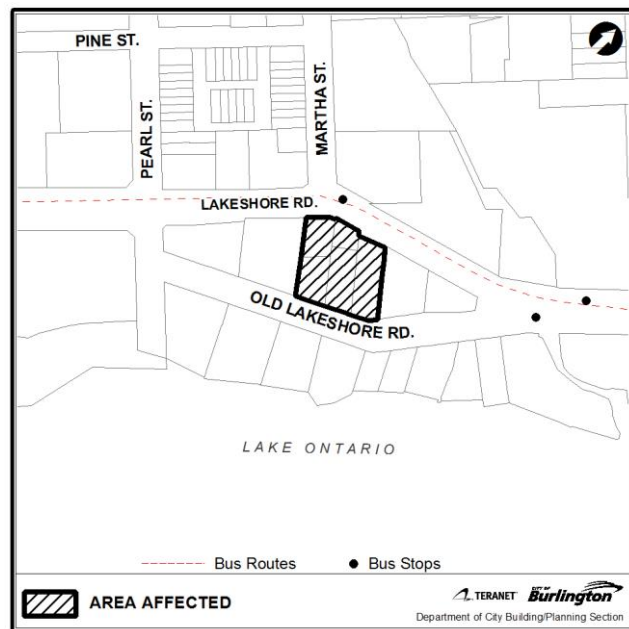

The City of Burlington has received applications from Urban Strategies Inc. on behalf of Core Development to amend the Official Plan and Zoning By-law on the properties located at 2093, 2097 and 2101 Old Lakeshore Road, and 2096 and 2100 Lakeshore Road as shown on the sketch below.

The purpose of these applications is to amend the Official Plan and Zoning By-law to facilitate the development of a 27-storey building consisting of commercial at the ground floor and 310 residential units above having a density of 940 units per hectare and a Floor Area Ratio of 7.7:1. The proposal includes 4 levels of underground parking. The existing heritage building on the site is proposed to be retained and integrated with the proposed development.

The property is currently designated “Downtown Mixed Use Centre – Old Lakeshore Road Precinct” within the City’s Official Plan. The applicant is proposing to add a site specific policy to allow an increased density.

The property is zoned “Downtown Old Lakeshore Road (DL-A and DL-B)” in accordance with the Zoning By-law. The applicant is proposing a site specific amendment to seek relief from development standards such as building height, Floor Area Ratio, reduced parking and reduced setbacks.
