

## Planning Application for Hydro Corridor North of 1801 Walker's Line File: 520-01/09

The City of Burlington has received an application from Walker's Mews Limited to rezone the portion of the hydro corridor located to the north of the commercial development at 1801 Walker's Line (Walker's Mews).

The purpose of this application is to change the zoning designation for the subject lands from "Utility Services (S)" to "Utility Services with a Site Specific Exception" in order to allow a parking lot to serve the commercial lands to the south through a lease with Hydro One.
