**Old Lakeshore Burlington Inc. is the owner of lands located at 2107-2119 Old Lakeshore Road. The owner is currently considering the redevelopment of the lands with a mixed-use tall building of up to 26 storeys.**

**Prior to finalizing any plans or submitting an application to the City for a proposed development, in accordance with current City protocol, we are seeking community input and ideas on all elements of the development including ground floor uses, unit types and mix, building height, density, pedestrian connections, as well as other important design elements.**
