Dear JAMIE CRICH:

Re: Notice of Receipt of Record of Site Condition (Confirmation Number 44941064)
284 & 292 PLAINS ROAD EAST, BURLINGTON

This notice of receipt confirms the receipt of your Record of Site Condition (RSC) and supporting documents for further processing. A Director's decision on whether the RSC can be filed to the Registry will be provided by October 21, 2021.

Pursuant to clause 168.4(3)(a) of the *Environmental Protection Act* (EPA), the Director is satisfied that everything required by subsection 168.4(2) has been submitted for filing in relation to the above noted RSC. By the date indicated in the paragraph above, the Director will give one of the following forms of written notice pursuant to subsection 168.4(3.1) of the EPA:

1. Notice that the RSC cannot be filed in the Registry because it has not been completed in accordance with the regulations (i.e., "Notice of Not in Accordance");
2. Notice that the Director intends to conduct a review in relation to the RSC prior to filing (i.e., "Notice of Review"); or
3. A written acknowledgement that the RSC has been filed in the Registry (i.e., "Letter of Acknowledgement").

If you have any questions or require additional information, please contact Thomas Cruttwell, Brownfields Unit, Environmental Permissions Branch, at 416-710-7582.

Regards,

Thomas Cruttwell
