RE: Letter of Reliance - Geotechnical Reports
Proposed Residential Development
2155 Country Club Drive & 4274 Dundas Street
Burlington, Ontario

DS Consultants Ltd. (DS) (the "Consultant") has prepared this letter to allow the use of and reliance on the following reports by the City of Burlington.

- Revised Report on Geotechnical Investigation, Proposed Residential Subdivision, Areas 'A' to 'D' – Millcroft Golf Club, 2155 Country Club Drive, Burlington, Ontario; Project No. 19-199-100 R3, dated October 27, 2021.
- Revised Report on Preliminary Geotechnical Investigation, Proposed Building – Area 'E', 4274 Dundas Street, Burlington, Ontario; Project No. 19-199-102 R3 dated December 14, 2020.

It should be noted that use of and reliance on the above-noted report is governed by the terms and conditions as presented in the report. In addition, the addressees of this letter recognize and agree to the following:

1. The information in the report relates only to the property described in the report and was presented in accordance with and subject to the scope of work of the assessment agreed upon by the Consultant and Millcroft Greens Corporation.
2. The information and conclusions provided in the report apply only to the subject property as it existed at the time of the Consultant's site investigation. Should the site use or conditions change, the information and conclusions in the report may no longer apply.
3. The Consultant makes no representation regarding the marketability of this property or its suitability for any particular use, and none should be inferred based on the report.
4. The report is intended to be used in its entirety and no excerpts may be taken to be representative of the findings of the assessments.

We trust that the foregoing is satisfactory. Should you have any further questions, please contact our office.

Yours very truly,

DS CONSULTANTS LTD.

Alka Sangar, M.Eng., P.Eng
Director/Senior Geotechnical Engineer
