To: Chair and Members of the Community Development Committee

Re: Recommendation regarding heritage properties within the Old Lakeshore Precinct

Date: January 18, 2010

Heritage Burlington has identified several properties within the Old Lakeshore Precinct that represent heritage resources. They have historical, associative and contextual value and as such should be preserved and incorporated into the new plan for the Old Lakeshore Road Precinct.

Heritage Burlington feels that it is important to retain these landmarks that for so many years supported the true character of the Old Lakeshore Road area.

At the November 10, 2009 meeting of Heritage Burlington, the following recommendation was approved by for members for presentation to the Community Development Committee:

THAT Council direct staff to evaluate each of the ten heritage properties in the Old Lakeshore Road precinct and provide a recommendation as to whether they merit designation pursuant to the Ontario Heritage Act.

Heritage Burlington fully appreciates the time and effort needed to prepare a report for each of these properties and therefore would like to suggest that these 10 properties be reviewed in the following sequence over the next few months:

1. 2101 Old Lakeshore Road - 1859 (The Chrysler Carriage Shop)
2. 2100 Old Lakeshore Road - 1875 (The Stewart-Williamson-Peck House)
3. 2072 Lakeshore Road - 1867 (The John Minhinnick House)
4. 2096 Lakeshore Road – 1847 (The Cottage Shop)
5. 2093 Old Lakeshore Road – 1875 (The Cole-Mortimer House)
6. 2097 Old Lakeshore Road – 1878 (The Crooker-Acland House)
7. 2118 Old Lakeshore Road – 1864 (The Henderson House)
8. 2100 Lakeshore Road - 1875
9. 2104 Old Lakeshore Road – 1873 (The Williams Collins House)
10. 2107 Old Lakeshore Road – 1947 (The Chandelier Antiques House)
Heritage Burlington therefore requests that the Community Development Committee approve the motion made at our November 10, 2009 meeting and recommends that the ten subject properties be evaluated by staff in the sequence shown and in consultation with Heritage Burlington in order to provide a recommendation as to whether they merit designation.

**Note:** Members are aware that Council has stated its intention to designate the property at 2084 Old Lakeshore Road and therefore have not included this property within the above list of properties.

Sincerely,

Jane Ann Newson, Chair
Heritage Burlington
