Please be advised that Council for the Town of Halton Hills at its meeting of Monday, April 15, 2019, adopted the following Resolution:

Resolution No. 2019-0077

WHEREAS the Paris and Galt moraines cut across several municipalities: Peel Region, Wellington County, the City of Guelph, Region of Waterloo, Norfolk County, Brant County and Halton Region; and three Conservation Authorities: Grand River Conservation Authority, Credit Valley Conservation Authority and Conservation Halton;

AND WHEREAS Municipalities within the Grand River watershed are dependent on groundwater as the source of municipal drinking water and are designated as urban growth centres in the Province's Growth Plan for the Greater Golden Horseshoe, 2017, namely Guelph, Cambridge, Kitchener and Waterloo;

AND WHEREAS critical primary recharge areas in the moraines require protection in order to protect the future drinking water supplies in the area;

AND WHEREAS a conservation plan for the Paris and Galt moraines would provide an important policy framework to protect the critical ecological and hydrological integrity of the area;

AND WHEREAS the inter-jurisdictional complexity of the Paris and Galt moraines warrants the assistance of provincial leadership in the development of policy for its protection.

NOW THEREFORE BE IT RESOLVED THAT Council for the Town of Halton Hills supports and endorses the passage of Bill 71, the *Paris and Galt Moraine Conservation Act, 2019*;

AND FURTHER THAT a copy of this resolution be forwarded to the Ministry of Municipal Affairs and Housing, Halton's MPP's, MPP Mike Schreiner, Conservation Halton, Credit Valley Conservation Authority, Grand River Conservation Authority, The Regional Municipality of Peel, the Regional Municipality of Waterloo, the City of Guelph, Wellington County, Norfolk County, Brant County and the Local Municipalities for their information.

Dear Ms. Morgan:

As a Halton Catholic District School Board (HCDSB) approved community partner, you know the value and impact that community planning and facility partnerships can have in supporting the creation of strong neighbourhoods, providing access to programs and services, and bolstering student success.

Acknowledging this, we want to make the best use of our existing and future public buildings by offering our community space in our schools or opportunities to collaborate on future capital projects on a cost-recovery basis.

Board staff would like to invite you to attend the annual Community Planning and Facility Partnership Meeting to be held on:

May 15, 2019 from 6:30 pm to 8:00 pm
Jean Vanier Catholic Secondary School
1145 Bronte Street South, Milton, ON L9T 8B4

A presentation will be provided detailing the potential upcoming partnership opportunities in proposed new schools in Halton's growth areas as well as those facilities which are experiencing under-utilization and as such have surplus classroom space.

The presentation will also provide an outline of the Board's draft 2019 Long-Term Capital Plan Update, which outlines enrolment projections and proposed capital projects for the next 15-year planning horizon; where to access relevant information on the Board's website and any supplementary Community Planning and Facility Partnerships information. For more information, please visit our new webpage: <https://schoolplanning.hcdsb.org/ltcp/>

Should you be interested in pursuing a partnership with the Board, please bring relevant planning materials such as details of the community needs, growth plans, and green space requirements.

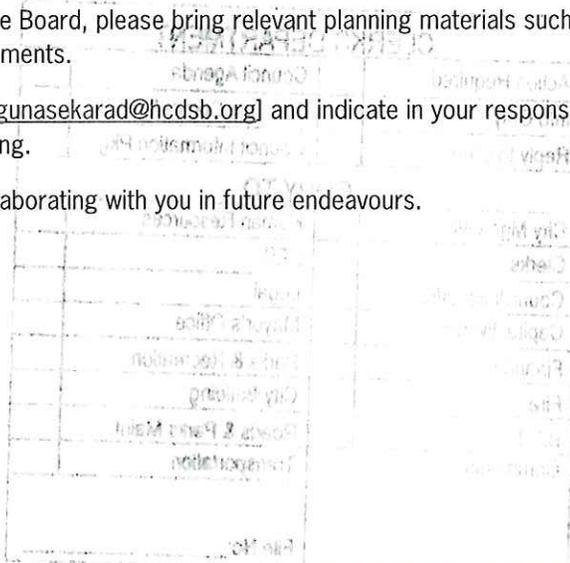

Please RSVP by May 10, 2019 to Dhilan Gunasekara [gunasekarad@hcdsb.org] and indicate in your response if you have a proposal you would like to present to staff after the meeting.

Thank you again for your time and we look forward to collaborating with you in future endeavours.

Yours truly,

Frederick Thibeault, M. Pl.

Dear Head of Council:

Ontario's Government for the People is committed to building more housing and bringing down costs for the people of Ontario. To help fulfill this commitment, we have developed a broad-based action plan to address the barriers getting in the way of new ownership and rental housing.

[More Homes, More Choice](#) (the action plan) outlines our government's plan to tackle Ontario's housing crisis, while encouraging our partners to do their part. We are taking steps to make it faster and easier for municipalities, non-profits and private firms to build the right types of housing in the right places, to meet the needs of people in every part of Ontario.

As part of the action plan, we are proposing changes that would streamline the complex development approvals process to remove unnecessary duplication and barriers, while making costs and timelines more predictable. We are also proposing changes that would make it easier to build certain types of priority housing such as second units.

On May 2, 2019, the government introduced Bill 108 (the bill), the proposed More Homes, More Choice Act, 2019, in the Ontario Legislature. While the bill contains initiatives from various ministries, I would like to share some details regarding initiatives led by the Ministry of Municipal Affairs and Housing.

Planning Act

Schedule 12 of the bill proposes changes to the Planning Act that would help make the planning system more efficient and effective, increase housing supply in Ontario, and streamline planning approvals.

Our government recognizes the key role that municipalities will play in implementing the action plan, and we know that you share our desire to bring more housing to the people of Ontario. I look forward to working with you as we implement **More Homes, More Choice**.

Sincerely,

Steve Clark

Minister
